

Global Impact - Senior Accountant: Grants and International Accounts

As a Senior Accountant, you're primarily responsible for collecting, reconciling, and summarizing accounting information, entering data into different accounting software, and generating financial reports for international and grant recipient clients.

We are seeking a candidate who demonstrates the ability to be responsible for:

- Month-end and year-end closing processes
- Creating and monitoring annual budgets
- Reviewing, approving, and monitoring accounts payable and receivables
- Maintaining general ledger for client related entries
- Developing and maintaining accounting operations
- Serving as main point of contact for client financial needs: project management support, vendor and sub-grantee contracts, reporting, auditing, preparing 990 and related tax forms
- Operational needs: insurance renewals and liaising with internal departments such as IT and HR/Payroll.

You have a bachelor's degree in Accounting, Business Administration and 4+ years of accounting experience in Public Accounting and Non-Profit accounting. A CPA or CPA candidate desirable. Proficient in the use of Excel, Office 365, QuickBooks Online, Bill.com, and banking platforms. Hands on experience with grant management and tracking, as well as international non-profit organizations, is preferred.
